

TS-30 SL

REFERENCE 03100000 - TS-30 SL - 8422248065351

DESCRIPTION

FEATURES

	30
Installation position	Vertical
Thermostat control location	Front
Temperature regulation (°C)	20-70
Heating indicator light	✓
Magnesium anode	✓
Power supply (V/Hz)	230/50
Type of heating elements	Independent sheathed
Number of heating elements and power (W)	2x800
Power (W)	1.600
Intensity to 230 V (A)	7
Heating time to 65°C (+50°C)	1h 05min
Static losses to 65°C (kWh in 24h)*	0,63
Average thickness of insulation (mm)	25
Water connection (BSP)	1/2"
Highest pressure (bar)	10
Electrical connection (cable with plug)	✓
Water fall vertical Protection	✓
Water projection protection	✓
Protection rate	IP24
Net weight (kg)	14,5
