

## TS-100

REFERENCE 03113000 - TS-100 - 8422248065399

### DESCRIPTION

### FEATURES

	100
Installation position	Horizontal
Thermostat control location	Front
Temperature regulation (°C)	20-70
Heating indicator light	✓
Magnesium anode	✓
Power supply (V/Hz)	230/50
Type of heating elements	Independent sheathed
Number of heating elements and power (W)	2x900
Power (W)	1.800
Intensity to 230 V (A)	7,82
Heating time to 65°C (+50°C)	3h 15min
Static losses to 65°C (kWh in 24h)*	1,09
Average thickness of insulation (mm)	33
Water connection (BSP)	3/4"
Highest pressure (bar)	10
Electrical connection (cable with plug)	✓
Water fall vertical Protection	✓
Water projection protection	✓
Protection rate	IP24
Net weight (kg)	33,5
